CONSIDER THIS

This week we will be celebrating Independence Day in the U. S. of A. This is the 250th anniversary of the birth of our Nation, and many may be surprised that we have lasted as long as we have. We have been blessed by our God in ways that the rest of the world may acknowledge more than we do ourselves. Before we get too carried away with a sense of our own self-importance, let's remember what has happened to another Nation that God chose to bless in a special way. Abraham's descendants were to be blessed above all other Nations because of the faith of their father Abraham, and they were to be a blessing to the rest of the world, as bearers of the Oracles of God. As time continued, those chosen ones lost their faith and their mandate as a blessing.

We have been blessed of God as well, and we must return to the mandate God has given us to be a blessing to the rest of the world, or we will be displaced from this place of honor, serving the God of the Universe.
